Internet Payments Update

Due to the recent pandemic, we've had to take some extra steps to ensure the safety of our staff and community members while accepting Internet Payments at the Gitsegukla Band Office. To encourage social distancing, we have started accepting E-Transfer payments, which can be sent from home.

In Person Payments:

Our office will be open to accept payments on **Tuesdays and Thursdays**, from **1pm to 4pm**. Upon visiting our office, please wait at the front door for service. We will only be allowing one customer in the building at a time.

E-Transfer Payments:

To make an E-Transfer Payment, open your online banking, and send an Interac E-Transfer to internetpayments@gitsegukla.net. In the message field of your e-transfer, please include the following information:

- Name your account is registered under
- Invoice number or Month/Package (ex. "July Internet, Gold Package")
- Overages being paid for (If applicable)

***If one email address is used to pay for multiple invoices, each invoice must be paid separately. One E-Transfer per invoice.**

If you are not set up for Email Invoicing, please call the Band Office and ask what your bill is, before you send an E-Transfer Payment.

Email Invoices:

To make things easier, request to sign up for Email Invoicing. Instead of having to call in to see what you owe, you'll receive monthly invoices on the first of every month, which can be paid through E-Transfer or In-Person.

Debit/Credit Card Payments:

We will start accepting Debit and Credit card payments in the next few weeks. Once our new terminal is installed, you'll be able to pay with your preferred payment method at the Band Office.
