## Gitsegukla Request for Firewood

Gitsegukla is looking to purchase firewood for its elders and other members in need of firewood.

If you have connections to sources of firewood, we are willing to purchase a full pickup load of firewood for up to \$200/load depending on the size of load and type of wood.

Please contact Gitsegukla Social Development Manager Dawna Bob at (250) 849-5490 if you are interested in helping provide firewood to our community.

Thank you!
