Community Notice: Temporary Entryway Closures August 5, 2025

Please be advised that the main entryways to both the school and gymnasium will be temporarily closed until further notice. To access these facilities, kindly use the Northeast corner entrance, located next to the sea cans.

This closure is due to an upcoming concrete pour project, aimed at improving the durability and safety of our outdoor surfaces. While we understand this may cause some inconvenience, we truly appreciate your patience and cooperation as this exciting improvement takes shape.

We kindly ask all families to caution your children to stay away from the construction area during this time. Their safety is our top priority, and avoiding the restricted zone will help prevent any accidents.

Thank you for your understanding. We're thrilled about the positive impact this will have on our community!
